Dedication

Established in 1909. Re-created for 2010. We searched out more than 30 unique, local businesses—including quality growers, producers, artisans and restaurants—to create the new Lansing City Market. With so many options, there's more variety than ever.

Updated hours to fit your schedule. We heard you! Our fresh hours are now easy to remember and we're even open late after work for last-minute dinner options (11-7 T-F, 9-5 SA).

Just looking to unwind? Relax, re-energize and re-connect at our unique riverside setting where you can stroll through bright, sun-filled spaces and take pleasure in a superior urban shopping experience.

Experience what your market has to offer.
